Greenmarket, Established 1976

Keep Farmers Farming, Shop Your Local Greenmarket!

GROWN NYC'S GREENMARKET PROGRAM has, since 1976, promoted regional agriculture and ensured a continuing supply of fresh, local produce for all New Yorkers. Greenmarket supports farmers and preserves farmland for the future by providing regional small family farmers with opportunities to sell their fruits, vegetables and other products at our open-air farmers markets throughout New York City.

Find a Greenmarket in your neighborhood at www.grownyc.org/ourmarkets.

Union Square Greenmarket has an app! Find out what farmers are in attendance and what farm products are available, every single Union Square market day. **www.grownyc.org/union-square-app**

Select Greenmarkets allow New York City residents to recycle clothing and drop off food scraps. Refer to the map for program availability at your market. Please note collection times may differ from market times. Contact 212.788.7900 for more information.

Youthmarket is a network of urban farm stands operated by neighborhood youth, supplied by local farmers, and designed to bring fresh fruits and vegetables to communities throughout New York City.
